The Fairfield County Foundation was created to receive and administer charitable gifts that will provide long-term, continuing benefits to Fairfield County and its residents by supporting educational, scientific, cultural, social, environmental, medical and other charitable purposes. The Foundation is administered locally to better serve our community needs.

Our
MISSION

Dear Valued Friend of the Foundation:

For many people, the word “sustainability” brings to mind environmental stewardship... recycling efforts, conservation and “being green.” With the renewed and ongoing focus on efforts to conserve our natural resources around the globe, this initial definition is certainly applicable. However, here at the Fairfield County Foundation, our sustainability efforts extend beyond the traditional. We are focused on

sustaining our community resources by building a legacy of giving for generations to come.

There is no better evidence of the need for sustainability in community giving than the economic hardships our community, state and nation have faced over the past few years. Because our local citizens, organizations and businesses have such generous spirits, our Foundation was able to sustain the projects, programs and scholarships within Fairfield County. The Foundation’s Board of Trustees has

continued to invest time and effort in preserving the Foundation's assets to ensure we remain viable, and even thrive, despite the sluggish economy.

Whether it is through health and wellness programs, scholarships for tomorrow's community leaders, environmental stewardship or providing grants for culture and the arts...your Fairfield County Foundation is diligently working to ensure that the resources we have here in our county sustain our community's needs well into the future.

In this year's report, you will...

- meet a young woman who has already utilized the education she received with the help of the Foundation to better humanity through volunteer clinics in third-world countries;
- meet a woman leading an annual event to help better the quality of life for those in our community who are affected by a disability; and
- see how the Foundation is helping the seniors of our community get and stay in shape.

These are just a sampling of the amazing results our grantees and scholarship winners accomplish. And, none of it would be possible without the generous support of our community as a whole.

2010 IN *Review*

277 grants to public charities in Fairfield County, totaling over **\$820,080**.

\$756,513 in college scholarships: 338 scholarships were awarded to Fairfield County students to help in their goal to attain higher education.

\$2,011,650 in gifts donated: 1,486 gifts were made from individuals and families in memory of loved ones, to support a special fund or charity, to establish a new fund, or as end of life gifts.

Six new funds were established: Three scholarship funds were established, Donald Dill Memorial Scholarship Fund; Fairfield Federal Ron Keaton Scholarship Fund; O.J. Green Memorial Scholarship Fund. Three donor advised funds were established, Robert Hamm LCS Teachers Fund; David L. Johns Lancaster Festival Capital Improvement Fund; Kenneth D. Trimmer Endowment Fund.

Supporting agencies who serve our neighbors with grants to the local food pantries, Fairhaven Place, Maywood Mission Garden Project, Grace Haven, Foundation Dinners kitchen project, and Fairfield County Cribs for Kids project.

Grants that have made a significant impact toward the quality of life in Fairfield County: Funding projects at the Child Advocacy Center, Geneva Hills, Fox Family Y, Fairfield Heritage Association, Opiate Task Force, Prevention Works, Fairfield Heritage Trail, Save the Sherman Cannon, Lancaster Parks and Recreation, Renovation of the Zone at OU-L, Lancaster Fairfield County Amateur Radio Club and Olivedale Senior Center.

Providing support for the arts in our community with funding for Lancaster Community Concerts Association, The Lancaster Festival, Ohio Glass Museum, AHA Children's Museum, Decorative Arts Center of Ohio and Pickerington High School North Theatre.

Helping organizations that support the health of our residents by funding projects with the Lancaster Fire Department, The Lighthouse, Fairfield Department of Health and the Community Health Assessment, Fairfield Medical Center TWIGS and the community HealthFest, Caring Connections counseling services, FairHoPe Hospice Point of Care Documentation System and the Community Love Fund.

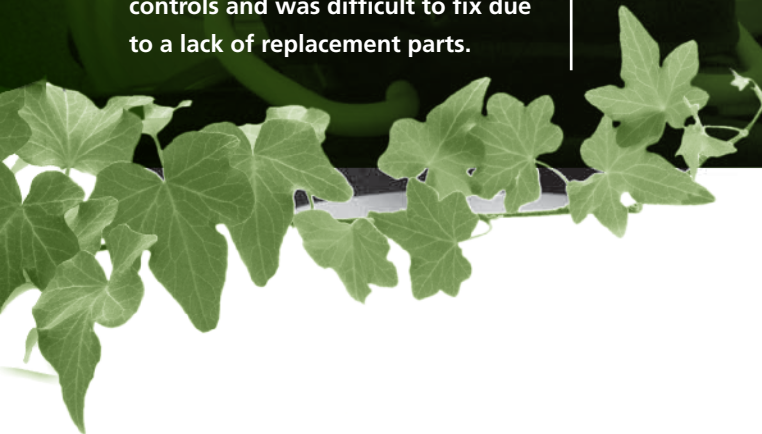

A grant from the Fairfield County Foundation helped replace exercise equipment at Olivedale Senior Center. The new seated elliptical trainers, treadmills and upper body bicycle replaced outdated equipment that was falling apart, did not have senior-friendly controls and was difficult to fix due to a lack of replacement parts.

"The variety of machines is great because people who aren't as steady on their feet or who want to work their way up in fitness levels have choices, and more people can work out at the same time."

"Doctors tell me that people who work out here have faster recoveries from joint, knee and hip surgeries."

"Members leave notes on my desk about how happy they are with the ease and convenience of the new machinery."

ESTABLISHING A

Fund

By partnering with donors, we enable the citizens of Fairfield County to achieve their philanthropic goals confidently, effectively and intelligently. We work directly with you or through your professional advisor to help you support the causes that you care about and support your giving by helping you design a fund that is flexible and personalized.

We can even help you in designing a giving plan and can share ideas for including your family and future generations in philanthropy. When you establish a fund at the Fairfield County Foundation, you enrich the lives of people in your community.

Unrestricted Funds

Unrestricted Funds are gifts to the Foundation's unrestricted general fund. The principal and income is distributed at the Foundation's discretion in the form of grants to 501(c) (3) organizations. A minimum gift of \$5,000 is required to establish a named fund. Gifts of any amount are accepted into the general fund. Unrestricted Named Funds can be held in the name of the donor, the family or as a memorial to a loved one. Unrestricted Funds assure that future generations will be prepared to meet the emerging needs of the community.

Donor Advised

One of our most appealing charitable vehicles is the Donor Advised Fund. This type of fund enables donors or their designees to recommend grants based on their personal charitable interests. Donors receive both tax and philanthropic benefits in a simple format with a high degree of flexibility.

Scholarship Funds

Scholarship Funds are a large portion of the grants made by the Fairfield County Foundation. Individuals, families, companies or organizations can establish Scholarship Funds. Often Scholarship Funds memorialize a loved one or honor a special person. Once in place, a Scholarship Fund continues to grow with additional contributions from the original donors, from other contributions and through market growth. The donor of a Scholarship Fund has the ability to define the scholarship's advisory committee and the guidelines for candidate selection, requirements and award use.

Agency Funds

Agency Funds or Endowments can be created to perpetually support your community service agency. Agency funds hold assets for a charitable organization and distribute the principal or earned income in accordance with the agency's specific instructions. An Agency Fund increases investment yield since the endowment is pooled with other funds at the Foundation to receive maximum return and lower fees due to the size of the funds.

Designated Funds

Designated Funds are established to ensure that support will be provided to specific eligible non-profit organizations, often organizations that donors have been involved with during their lifetimes. Many donors establish Designated Funds to endow the charitable giving that they've enjoyed throughout their lifetimes. This is an opportunity to leave a lasting legacy in the donor's name.

The Foundation may not give legal or tax advice and urges prospective donors to consult with their attorneys and tax advisors when planning to make gifts or bequests to the Fairfield County Foundation.

MAKING A PLANNED

Gift

There are many flexible ways to support your interests and your community...and the choice is yours.

Do you want to give to a specific organization or a specific area of interest? Establish a scholarship in honor or memorialize a loved one? Restrict your giving to Fairfield County, Central Ohio or the location of your choice? Create or continue your business giving program?

Whatever your giving goals, there is a fund option for you.

Planned gifts allow individuals to continue making an impact in their community after they are gone. With a planned gift, many people find that they are able to contribute more than they thought possible while still providing for their family and loved ones.

Gifts of Life Insurance

If you are a donor who wants to achieve immediate tax benefits, you should consider irrevocably assigning an insurance policy to the Fairfield County Foundation. You will receive an immediate federal income tax charitable deduction in the year of the assignment. The value of the deduction

is equal to the lesser of the policy's replacement value or the cost, in terms of net premiums. Not only do you receive an immediate tax deduction and substantial estate tax savings later, but also the satisfaction of supporting your charitable interests. Any type of fund may be established with an insurance policy.

Pension Plan Distributions

Retirement plan proceeds paid after death may be subject to both income and estate taxes. Naming the Foundation as the after-death beneficiary of one or more such plans can save taxes and greatly assists the community.

Gifts Through Wills & Bequests

Bequests offer varied ways of giving to the Foundation. Through an outright bequest in one's will, cash securities or other property may be bequeathed. The taxable estate is reduced by the total amount of the charitable bequest.

Charitable Remainder Trusts

A Charitable Remainder Trust provides life-long income for one or several income beneficiaries, such as the donor and the donor's spouse, and leaves the remainder interest to the Foundation or designated beneficiary. Significant income and estate tax savings will result from this method of gifting.

Charitable Lead Trust

Some donors may be in a position to lend the income from capital donated through the establishment of a trust and, in so doing, may receive

substantial tax benefits. The income generated from assets placed in a Charitable Lead Trust is paid to the Foundation for a period of years, after which the trust is terminated and the assets are returned to the donor.

Charitable Gift Annuities

Some donors would like to increase or begin their support of the community but do not think they can afford to at this time. The Charitable Gift Annuity can make it possible for donors to assist the community in the future while providing lifetime income for themselves. Under this arrangement a donor transfers assets, cash or securities, to the Foundation in exchange for a commitment by the Foundation to pay the donor a fixed and guaranteed payment for the remainder of his or her lifetime. The total amount of the payment does not change once established. Upon the death of the donor, the remaining principal is retained by the Foundation to carry out the donor's charitable intentions. An income tax charitable deduction is realized in the year the gift is made.

Transfer of a Private Foundation

This type of gift affords many advantages, including lower overhead, staff to assist with charitable goals, and a higher tax deduction for any future gifts, to name a few.

A DONOR

Whether your gift is a single contribution in honor or memory of a friend or loved one, or you wish to establish a new fund, we want to provide you with opportunities to make the greatest impact.

Define your charitable goals.

Decide if you want family members involved, both now and/or in the future. Consider how much involvement you want in selecting the charitable organizations that will receive grants from your fund. Think about how much you want to give in charitable contributions each year and how you want to give it.

Contact the Foundation.

We make giving easy and effective, accepting a wide variety of gifts and providing donors with a number of charitable options. Our professional staff has in depth understanding of the issues, opportunities and resources that shape our community.

Organizational Endowments.

The scholarships that I have received from the Fairfield County Foundation have reduced my financial burden significantly, providing me with the opportunity to participate in three dental mission trips where I was able to develop my dental skills and experience new and interesting cultures. The reduced financial burden also allowed me to focus my attention on my education, enabling me to attain my goal of being accepted into an orthodontic residency program. The support provided by the Fairfield County Foundation has been immeasurable, and I am truly grateful.

About US

The Fairfield County Foundation, a 501 (c) (3) non-profit, and its supporters help to sustain and enhance the quality of life and economic viability of our community, and its scholarship program helps to sustain opportunities for local youth to achieve their academic goals. The Foundation was formed in 1989, when Probate Judge S. Farrell Jackson challenged our community to establish a foundation to keep significant trust funds invested locally. A small committee of caring citizens joined together to establish the Foundation to provide an entity to administer contributions from individuals, families, corporations and organizations. Today, Foundation grants support the arts, children's programs, health and wellness projects, community development, academics, and much more. From scholarships for deserving Fairfield County youth and exercise equipment for seniors at Olivedale, to trees that grow in green spaces throughout our county and grants to feed the hungry, the Fairfield County Foundation touches every member of our community in some way. More information about the Foundation can be found at www.fairfieldcountyfoundation.org.
