OF CONTENTS

"...As I begin my senior academic year at Ohio State, I have moments to reflect on those who have gotten me to this point in my career, and the foundation is at the top of my list. The impact you all make on the lives of students entering college throughout Fairfield County is astounding - surely a role model for other county foundations to follow. In my family alone, you've enabled six children to pursue a college education. I hope to one day become a donor of a scholarship foundation to 'pay it forward' to future generations just as you have invested in me as a student. I cannot thank you enough for your dedication to my success. You truly have made a memorable impact on my life and my future. I can promise you this: I will not let you down."

About Us

The Fairfield County Foundation, a 501(c)(3) non-profit, and its supporters help to enhance the quality of life and economic viability of our community. The Foundation was formed in 1989, when Probate Judge S. Farrell Jackson challenged our community to establish a foundation to keep significant trust funds invested locally. A small committee of caring citizens joined together to establish the Foundation to provide an entity to administer contributions from individuals, families, corporations and organizations.

Our Mission

Our mission is to receive and administer charitable gifts that will provide long-term, continuing benefits to Fairfield County and its residents by supporting educational, scientific, cultural, social, environmental, medical and other charitable purposes.

The Foundation is accredited by the National Standards for U.S. Community Foundations Program, demonstrating that it has met the nation's highest philanthropic standards for operational quality, integrity and accountability.

DEAR Valued Friend OF THE FOUNDATION

Benefactor Ambassador
Donor Sponsor Supporter

Since 1989, the Fairfield County Foundation has helped donors create a lasting, charitable legacy that carries on their names, their values and their priorities. Within the Foundation are more than two hundred individual charitable funds, each created by donors to address those local causes they are most passionate about.

Today, Foundation grants support the arts, children's programs, health and wellness projects, community development, academics and much more. From scholarships for deserving Fairfield County youth and equipment to keep people fit and healthy, to improvements to green spaces throughout our county and grants to feed the hungry, the Fairfield County Foundation touches every member of our community in some way.

We believe that everything we do at the Foundation helps to improve your community and your future – and it is through your generosity that we are helping to build your legacy. Thank you for your continued support of the Fairfield County Foundation. The accomplishments outlined in this report are a direct reflection of the generous support of our community.

Making the Future Possible

A grant from the Foundation partially funded the **Lancaster Festival Orchestra's** performance for the 2011 Lancaster Festival. The \$45,000 grant was from the Wendel Family Fund, which is used for the benefit of residents of Fairfield County for cultural and civic projects. The Foundation is a proud partner with the Lancaster Festival and also administers the David L. Johns Lancaster Festival Capital Improvement Fund, the Lancaster Festival Fund, Friends of Michael Davis Memorial Fund and the Raymond Wilkes Young Artist Fellowship Fund.

The Nannie B. Marten's Fund provided the resources necessary to help build a new **playground at West Elementary School** (Lancaster City Schools). The Fairfield County Foundation established a new scholarship fund, the **Roger Pedigo Memorial Scholarship Fund**. This scholarship will benefit selected high school seniors from Athens, Fairfield, Franklin, Hocking and Vinton counties who are furthering their education by attending Ohio University. The fund's purpose is to provide financial assistance to students who maintain good academic standards, exhibit leadership skills and have a history of active participation in community services. Special consideration will be given to applicants whose families will exhibit financial hardship through the funding of their child's higher education. This scholarship is named for retired PGA pro Roger Pedigo (1930-2011), a fierce competitor and lettered athlete in multiple sports throughout high school. He was inducted into both the Athens High School Athletic Hall of Fame and the Ohio University Athletic Hall of Fame in 1993.

Setting up a Fund with the Foundation

Your Foundation is here to help you build your legacy. We can help you determine your charitable goals, such as deciding if you want family members involved, both now and/or in the future; considering how much involvement you want in selecting the charitable organizations that will receive grants from your fund; and thinking about how much you want to give in charitable contributions each year and how you want to give it.

We make giving easy and effective, accepting a wide variety of gifts and providing donors with a number of charitable options. Our professional staff has in-depth understanding of the issues, opportunities and resources that shape our community. The Foundation has several options for setting up a fund that best meets your giving goals, including the following:

- **Donor-Advised Funds:** This type of fund enables donors or their designees to recommend grants based on their personal charitable interests.
- **Unrestricted Funds:** Unrestricted Funds are gifts to the Foundation's unrestricted general fund. The principal and income is distributed at the Foundation's discretion in the form of grants to 501(c) (3) organizations. A minimum gift of \$5,000 is required to establish a named fund. Gifts of any amount are accepted into the general fund.

- **Scholarship Funds:** Individuals, families, companies or organizations can establish Scholarship Funds. Once in place, a Scholarship Fund continues to grow with additional contributions from the original donors, from other contributions and through market growth. The donor of a Scholarship Fund has the ability to define the scholarship's advisory committee and the guidelines for candidate selection, requirements and award use.
- **Agency Funds or Endowments:** Agency Funds or Endowments can be created to perpetually support your community service agency. Agency funds hold assets for a charitable organization and distribute the principal or earned income in accordance with the agency's specific instructions.
- **Designated Funds:** Designated Funds are established to ensure that support will be provided to specific eligible non-profit organizations, often organizations that donors have been involved with during their lifetimes. This is an opportunity to leave a lasting legacy in the donor's name.

Making a Gift to the Foundation

A variety of assets can be used to make charitable gifts and there are many ways that you can give immediately or in the future.

- **Cash:** Cash gifts are an easy way to make an impact in your community and allow you to give at any time.
- **Securities:** Securities, both publicly traded and closely held, can be used to set up a fund.

- **Real and Personal Property:** Gifting real and personal property often allows an individual to contribute more than they may have thought possible.
- **IRA/Retirement/Pension Fund Assets:** Retirement assets are most often used as testamentary gifts, creating charitable funds as part of an overall estate plan.
- **Life Insurance:** Life insurance makes it possible to make meaningful gifts to the community.
- **Unique Assets:** Examples might include stamp, coin or art collections; copyrights and patents; royalties; or other unique assets of value.
- **Wills and Bequeaths:** Bequests offer varied ways of giving to the Foundation. Cash securities or other property may be bequeathed in one's will.
- **Charitable Remainder Trusts:** A Charitable Remainder Trust provides life-long income for one or several income beneficiaries, such as the donor and the donor's spouse, and leaves the remainder interest to the Foundation or designated beneficiary.
- **Charitable Lead Trusts:** The income generated from assets placed in a Charitable Lead Trust is paid to the Foundation for a period of years, after which the trust is terminated and the assets are returned to the donor.
- **Charitable Gift Annuities:** The Charitable Gift Annuity can make it possible for donors to assist the community in the future while providing lifetime income for themselves. Upon the death of the donor, the remaining principal is retained by the Foundation to carry out the donor's charitable intentions.
- **Transfer of a Private Foundation:** This type of gift affords many advantages, including lower overhead, staff to assist with charitable goals, and a higher tax deduction for any future gifts, to name a few.

Encouraging Leaders of Tomorrow

This year, the Lancaster High School Class of 2014, Student Council and Skills USA helped sponsor the first annual **Brian Sampson Memorial Walk/Run** on October 20, 2011. Students presented Fairfield County Foundation Executive Director, Amy Eyman, with \$1,003 for the Nauman Sampson Wittenberg Scholarship Fund.

Helping to Meet Basic Needs

Last December, a donation was made by the Foundation to **local food pantries in Fairfield County**. The Foundation donated \$30,000 to thirteen different pantries in nearly every local community. The donation will provide approximately 300,000 pounds of food for those in need.

"We know that food pantries are incredibly busy during the winter," said executive director of the Fairfield County Foundation, Amy Eyman. "Given the continuing struggle many members of our community face to make ends meet, our food pantries are serving more and more individuals and families every day. We were pleased to be able to contribute to the organizations in our area that help meet the basic needs of our local citizens."

Donations went to the following food pantries: Lutheran Social Services, Community Action, St. Vincent de Paul, Salvation Army, Maywood Mission, Lancaster Vineyard, Mills Memorial, Baltimore Food Pantry, Bremen Food Pantry, Pleasantville Food Pantry, Pickerington Food Pantry, Canal Winchester Food Pantry and Amanda Food Pantry.

Enhancing Quality of Life

This year, the Foundation received the **George and Dollie L. Zimpfer Memorial Fund**. When they passed away, George and Dollie L. Zimpfer left a combined \$4 million in the form of a memorial fund in their name to support the continuing needs of the Lancaster and Fairfield County community. This couple, known for their enjoyment of the seemingly small, simple things in life and their frugality, were very private, kind and hard working. Now, the Zimpfers will be making deserving members of the Lancaster and Fairfield County community smile, as projects and programs will be made possible through their generosity.

The **George and Dollie L. Zimpfer Memorial Fund** helped to finish Phase III and construction of Phase IV of the Lancaster Bike Path Connector. The Lancaster Bike Trail connects seven schools, six parks, four shopping centers, Fairfield Medical Center, Olivedale and the Family Y, creating more than six miles of pedestrian/bicycle barrier-free, safe corridor for recreation and fitness available to the members of our community free of charge, regardless of their financial status or physical disability.

In October 2011, The Fairfield County Foundation presented its prestigious **Don C. Wendel Legacy Award** to Robert Johnston and William Sitterley. Johnston and Sitterley were instrumental in creating the Fairfield County Foundation more than 22 years ago, when Judge Farrell Jackson, who presented the award, pulled community leaders together to develop an organization dedicated to philanthropy in the local community. The Don C. Wendel Legacy Award is named for the first Chairman of the Fairfield County Foundation Board of Trustees. Don was instrumental in the success of the Foundation and his inspiration and leadership carried the Foundation through the challenges of its early years.
