## A Message From the Director

Dear Friends of the Foundation,

We're thrilled to be able to share with you the results of our 25-Hour Give event, held in May to celebrate our 25th anniversary of building a legacy in our community. Please see below for donation amounts and photos from the day. Our staff had such a great time greeting all of the donors and seeing true generosity in action. In all of my years as director of the Foundation, I have never experienced an event like this - that captured the very spirit of what our organization is all about! What a great 25 hours that will truly have an impact in our community for years to come!

We are incredibly thankful for those who participated in the 25-Hour Give, particularly our donors and supporters. We would not have been able to donate these funds to our local organizations without you!

Have a wonderful Memorial Day Weekend!

Amy Eyman  
Executive Director

To celebrate our 25 year anniversary, we invited local non-profit organizations to participate in our 25-HOUR GIVE!

"The 25-Hour Give was the perfect way for us to celebrate 25 years of building a legacy, by giving back to those organizations that support our community," said executive director of the Fairfield County Foundation, Amy Eyman. "We're thrilled with the generous amount of donations we were able to match through this event."

30 non profit organizations received part of the \$25,000 match. The Foundation had \$48,536.47 donated, and is matching \$25,140.50 for a total of \$73,676.97 going out to our community in grants.

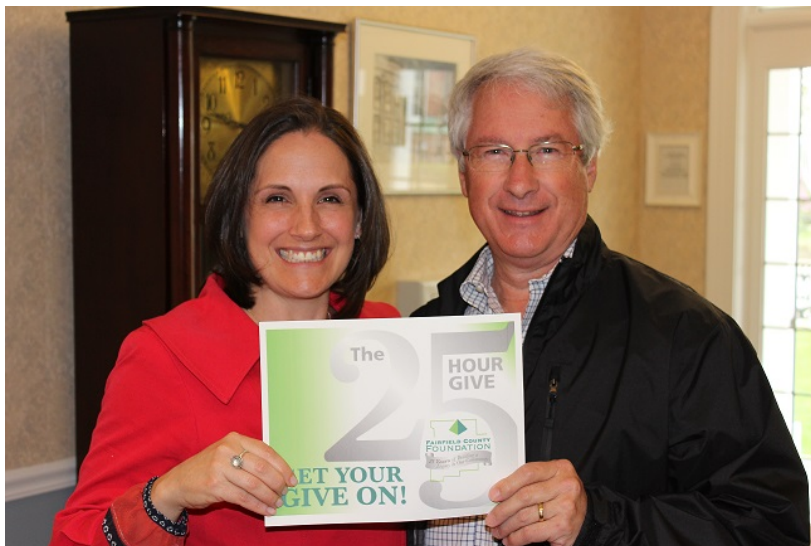

The 25-Hour Give began at 9 a.m. on May 1, 2014 and donations were accepted until 5 p.m. The Give continued from 8 a.m. to 10 a.m. on May 2, 2014.

## What is a Community Foundation?

A community foundation is a non-profit, publicly supported, nonsectarian philanthropic institution with a long-term goal of building permanent funds established by many donors to carry out their charitable interests, and for the broad-based charitable interest of and for the residents of a defined geographic area.
