OUR
START

WHO WE DO

About Us

The Fairfield County Foundation, a 501(c)(3) non-profit, and its many supporters help to enhance the quality of life and economic viability of our community. The Foundation was formed in 1989, when Probate Judge S. Farrell Jackson challenged our community to establish a foundation to keep significant trust funds invested locally. A small committee of caring citizens joined together to establish the Foundation to provide an entity to administer contributions from individuals, families, corporations and organizations.

Our Mission

Our mission is to receive and administer charitable gifts that will provide long-term, continuing benefits to Fairfield County and its residents by supporting educational, scientific, cultural, social, environmental, medical and other charitable purposes.

The Foundation is accredited by the National Standards for U.S. Community Foundations Program, demonstrating that it has met the nation's highest philanthropic standards for operational quality, integrity and accountability.

Dear Valued Friend of the Foundation,

Like the threads that weave together various designs, colors, shapes and textures into a beautiful patchwork quilt that can be enjoyed and passed down for generations, the Fairfield County Foundation connects the many diverse donors in our community with the community need or cause that best fulfills their charitable legacies.

Each year we are amazed by how our quilt continues to grow and better reflect the beauty that is Fairfield County. The Foundation supports the arts, children's programs, health and wellness projects, community development, academics and much more. From scholarships for deserving Fairfield County youth and grants to feed the hungry, to improvements to green spaces throughout our county and grants to help troubled youth, the Fairfield County Foundation continues to touch members across every facet of our community.

The accomplishments outlined in this report are a direct reflection of the collective efforts and generous support of our community. Thank you for your continued commitment to the Fairfield County Foundation.

Setting up a Fund with the Foundation

Your Foundation is here to help you build your legacy. We can help you determine your charitable goals, such as deciding if you want family members involved, both now and/or in the future; consider how much involvement you want in selecting the charitable organizations that will receive grants from your fund; and think about how much you want to give in charitable contributions each year and how you want to give it.

We make giving easy and effective, accepting a wide variety of gifts and providing donors with a number of charitable options. Our professional staff has in-depth understanding of the issues, opportunities and resources that shape our community. The Foundation has several options for setting up a fund that best meets your giving goals, including the following:

- **Donor-Advised Funds:** This type of fund enables donors or their designees to recommend grants based on their personal charitable interests.
- **Unrestricted Funds:** Unrestricted Funds are gifts to the Foundation's unrestricted general fund. The principal and income is distributed at the Foundation's discretion in the form of grants to 501(c) (3) organizations. A minimum gift of \$5,000 is required to establish a named fund. Gifts of any amount are accepted into the general fund.
- **Scholarship Funds:** Individuals, families, companies or organizations can establish Scholarship Funds. Once in place, a Scholarship Fund continues to grow with additional contributions from the original donors, from other contributions and through market growth. The donor of a Scholarship Fund has the ability to define the scholarship's advisory committee and the guidelines for candidate selection, requirements and award use.
- **Agency Funds or Endowments:** Agency Funds or Endowments can be created to perpetually support your community service agency. Agency funds hold assets for a charitable organization and distribute the principal or earned income in accordance with the agency's specific instructions.
- **Designated Funds:** Designated Funds are established to ensure that support will be provided to specific eligible non-profit organizations, often organizations that donors have been involved with during their lifetimes. This is an opportunity to leave a lasting legacy in the donor's name.

Making a Gift to the Foundation

A variety of assets can be used to make charitable gifts and there are many ways that you can give immediately or in the future.

- **Cash:** Cash gifts are an easy way to make an impact in your community and allow you to give at any time.
- **Securities:** Securities, both publicly traded and closely held, can be used to set up a fund.
- **Real and Personal Property:** Gifting real and personal property often allows an individual to contribute more than they may have thought possible.
- **IRA/Retirement/Pension Fund Assets:** Retirement assets are most often used as testamentary gifts, creating charitable funds as part of an overall estate plan.
- **Life Insurance:** Life insurance makes it possible to make meaningful gifts to the community.
- **Unique Assets:** Examples might include stamp, coin or art collections; copyrights and patents; royalties; or other unique assets of value.
- **Wills and Bequeaths:** Bequests offer varied ways of giving to the Foundation. Cash securities or other property may be bequeathed in one's will.

- **Charitable Remainder Trusts:** A Charitable Remainder Trust provides life-long income for one or several income beneficiaries, such as the donor and the donor's spouse, and leaves the remainder interest to the Foundation or designated beneficiary.

- **Charitable Lead Trusts:** The income generated from assets placed in a Charitable Lead Trust is paid to the Foundation for a period of years, after which the trust is terminated and the assets are returned to the donor.

- **Charitable Gift Annuities:** The Charitable Gift Annuity can make it possible for donors to assist the community in the future while providing lifetime income for themselves. Upon the death of the donor, the remaining principal is retained by the Foundation to carry out the donor's charitable intentions.

- **Transfer of a Private Foundation:** This type of gift affords many advantages, including lower overhead, staff to assist with charitable goals, and a higher tax deduction for any future gifts, to name a few.

ENHANCING THE LIVES OF OUR NEIGHBORS WITH DISABILITIES

The Fairfield Center for disAbilities and Cerebral Palsy is a nonprofit agency that strives to create a better future for people with disabilities by increasing and enhancing their lifestyle opportunities. The organization offers various programs and services, such as medical transportation, information and referrals, consumer advocacy, a lifetime learning program for adults with disabilities, wheelchair ramp and home modifications, peer support groups and an equipment loan closet. These services help to meet the changing needs of those with disabilities, bettering the lives of many in Fairfield County.

The Center's Wheelchair Ramp and Home Modification Program provides Lancaster and Fairfield County residents with mobility disabilities an opportunity to regain the full use of their homes and property. The construction of this program is performed by a large group of church volunteers called the SMART Team, and is paid for by the Center with the help of grants and donations. A \$10,000 grant from the Terry McGhee/Sally Grimm Community Fund has assisted the Center in continuing to provide this service at no cost to those community members who need it.

"The Wheelchair Ramp and Home Modification Program is invaluable to those in our community with disabilities, and through grants like this, we're able to help more people stay safely in their homes," said Edwin Payne, MD, Director of the Fairfield Center for disAbilities and Cerebral Palsy. "We're incredibly grateful to the Fairfield County Foundation and the McGhee/Grimm family for their support and generosity."

HELPING VOLUNTEERS SERVE MEALS TO THOSE IN NEED

Foundation Dinners, with the support of more than 200 volunteers from Lancaster and Fairfield County churches, organizations and businesses, serves dinner every day for poverty-stricken families and individuals in our community.

With a \$10,891 grant from the Zimpfer fund, The Fairfield County Foundation helped Foundation Dinners purchase a commercial dishwasher and food processor. The equipment is helping the volunteers prepare meals more quickly, while also helping to ensure food safety.

“Our dinners reach out to touch those who many consider to be untouchable. The basic financial needs of these disadvantaged families and individuals are being relieved as many caring people come to serve these meals. The grant from the Fairfield County Foundation is helping make our operations more efficient so that we can continue to serve those who need us most,” said Gary Clum, executive director, Foundation Dinners.

ENCOURAGING TODAY'S STUDENTS TO BECOME TOMORROW'S HEALERS

Riley Theiss is a recent graduate of Ohio University with a bachelor of science in exercise physiology. A recipient of the Shannon Family Scholarship during the 2014-2015 and 2015-2016 school years, he is in the process of narrowing down his options for his post college plans to attend graduate school for a doctorate in physical therapy. While at Ohio University, Theiss served as Vice President of Pre-physical Therapy Club; an active member of the Exercise Physiology Club; and participated in intramural flag football.

"Thanks to the Shannon Family Scholarship, I was able to worry less about the financial woes that come with college, and focus my time and effort in the classroom," said Theiss. "I'm not so sure I could have made it to graduate school had it not been for the aid of this scholarship. I would highly recommend any future or present college student take advantage of the scholarships offered by the Fairfield County Foundation. It truly can make a significant difference in your college experience."

Richard F. Shannon was a graduate of Ohio University and a research scientist for Owens-Corning Fiberglass in Granville, Ohio. Mr. Shannon established this fund for Lancaster High School graduates or graduating seniors attending Ohio University-Lancaster or Ohio University-Athens. This scholarship is unique in that there is no GPA consideration. Recipients are restricted to a maximum of five years of funding.

ANNOUNCEMENTS

Donors' funds provided \$726,119.99 in scholarships and helped 364 students in Fairfield County attend the college of their choice. Annual scholarship awards have been made to full-time college students who have met specific scholarship guidelines.

MAKING A DIFFERENCE FOR TEENS IN OUR COMMUNITY

The Salvation Army's Bridging the Gap is a youth life skills program for first time offenders who are currently involved in the probation program through the Fairfield County Juvenile Court and their families. The curriculum, designed by The Salvation Army, empowers young people by providing tools that encourage successful decision making, self-respect and the ability to problem solve.

The program provides court-involved youth with a well-structured, comprehensive personal development, education and community service learning experience. The program provides participants with tutorial services, life skills, gang awareness, health education, occupational therapy, computer training, mediation and conflict resolution skills.

A \$15,000 grant from the George and Dollie L. Zimpfer Memorial Fund allowed program leaders to purchase physical supplies to transform the space utilized for the program into a comfortable, productive and youth-friendly area. Purchases included new furniture and décor as well as computers, a big-screen television and internet access.

"The grant allowed us to transform the space we use for this program so that we can do the work of transforming the lives of the young people we serve," said Captain Laura DeMichael, Bridging the Gap program director. "We are incredibly grateful for the support of the Fairfield County Foundation and the Lancaster community."

RECRUITING VOLUNTEERS TO HELP THE SENIORS IN OUR COMMUNITY MAINTAIN THEIR INDEPENDENCE

For more than 40 years, Meals on Wheels of Fairfield County has provided comprehensive programming that helps to ensure the nutritional, health and safety needs of Fairfield County's seniors are being met. This work relies on a large number of volunteers who provide not only a nutritious meal, but also a friendly visit and a safety check that helps keep seniors living independently in their own homes. As the number of seniors requesting these services continues to increase, so does the need for kind-hearted volunteers.

Thanks to a \$2,881 grant from the Alma S. Busby Fund, Meals on Wheels was able to develop a marketing campaign, including billboard and direct mail advertising, a tradeshow display and new collateral materials to raise awareness and recruit volunteers.

"As a result of these efforts the agency's volunteer base grew by 34 new recruits," said Anna Tobin, Meals on Wheels Executive Director. "It is truly a blessing to live and work in a community that comes together to help our neighbors in need and the Fairfield County Foundation has always played such an important role in this work."
