Foundation Offers Opportunity for Online Giving

The Fairfield County Foundation is pleased to announce the addition of online giving to its website. The online portal allows donors to securely give the amount of their choosing to either an existing fund or to a broad issue area that addresses a specific community need. In addition to a one-time donation, it also gives donors the opportunity to give a recurring monthly or annual donation.

"The Fairfield County Foundation and its programs are dependent upon the monetary support of our community members, and we're so grateful for their generosity each year," said Amy Eyman, Executive Director of the Fairfield County Foundation. "We're thrilled that we're now able to make giving to the Foundation easier for our donors through the new online donating system."

The Foundation partnered with Network for Good, a nonprofit-owned for-profit that offers online fundraising software, to securely process online credit card payments. Click [here](#) to donate online now.

Ambassadors' Club**

The Ambassadors' Club provides the funds to help the Foundation raise awareness of the importance of philanthropy in our community and share information about the Foundation's efforts locally. Becoming a member of this generous group allows you the opportunity to directly support the Foundation's work through an unrestricted fund for the needs in our community.

When you join the Ambassadors' Club, you become an ambassador for the Foundation. We will keep you informed of our activities and also invite you to attend Foundation functions such as our year-end Ambassadors' Club event and our annual meeting.

To date, Ambassadors' Club members have contributed more than \$200,000 directly to this cause, and we ask that you consider making a contribution of your own today. Contact us at 740-654-8451. Or, try our new [online](#) giving option to make your contribution even easier!

What is a Community Foundation?

A community foundation is a non-profit, publicly supported, nonsectarian philanthropic institution with a long-term goal of building permanent funds established by many donors to carry out their charitable interests, and for the broad-based charitable interest of and for the residents of a defined geographic area.
