The Fairfield County  
Foundation mission  
is to build a legacy  
through philanthropy  
and stewardship for a  
stronger community.

The Foundation is  
administered locally  
to better serve our  
community needs.

The Foundation is accredited by the National Standards for U.S. Community Foundations Program, demonstrating that it has met the nation's highest philanthropic standards for operational quality, integrity and accountability.

# WHAT WE DO

## About Us

The Fairfield County Foundation, a 501(c)(3) non-profit, and its many supporters help to enhance the quality of life and economic viability of our community. The Foundation was formed in 1989, when Probate Judge S. Farrell Jackson challenged our community to establish a foundation to keep significant trust funds invested locally. A small committee of caring citizens joined together to establish the Foundation to provide an entity to administer contributions from individuals, families, corporations and organizations.

# OUR MESSAGE

## Dear Valued Friend of the Foundation,

For the past 27 years, the Fairfield County Foundation has been working to bring together and connect the many diverse donors from across Fairfield County with the unique community needs or causes that best fulfill their charitable goals. By diligently and faithfully guiding philanthropy to strengthen our community, we are building a legacy that will stand the test of time.

Each year we are amazed by how this legacy continues to grow and better reflect the beauty that is Fairfield County. The Foundation supports the arts, children's programs, health and wellness projects, community development, academics and much more. From scholarships for deserving Fairfield County youth and grants to feed the hungry, to improvements to green spaces throughout our county and grants to help those in our community who are grieving, the Fairfield County Foundation continues to reach every corner of our community.

We continue to be humbled by the generosity and commitment of the people in this wonderful community. The accomplishments outlined in this report are a direct reflection of this support. We thank you.

## Setting up a Fund with the Foundation

Your Foundation is here to help you build your legacy. We can help you determine your charitable goals, such as deciding if you want family members involved, both now and/or in the future; consider how much involvement you want in selecting the charitable organizations that will receive grants from your fund; and think about how much you want to give in charitable contributions each year and how you want to give it.

We make giving easy and effective, accepting a wide variety of gifts and providing donors with a number of charitable options. Our professional staff has in-depth understanding of the issues, opportunities and resources that shape our community. The Foundation has several options for setting up a fund that best meets your giving goals, including the following:

- **Donor-Advised Funds:** This type of fund enables donors or their designees to recommend grants based on their personal charitable interests.
- **Unrestricted Funds:** Unrestricted Funds are gifts to the Foundation's unrestricted general fund. The principal and income is distributed at the Foundation's discretion in the form of grants to 501(c) (3) organizations. A minimum gift of \$5,000 is required to establish a named fund. Gifts of any amount are accepted into the general fund.
- **Scholarship Funds:** Individuals, families, companies or organizations can establish Scholarship Funds. Once in place, a Scholarship Fund continues to grow with additional contributions from the original donors, from other contributions and through market growth. The donor of a Scholarship Fund has the ability to define the scholarship's advisory committee and the guidelines for candidate selection, requirements and award use.
- **Agency Funds or Endowments:** Agency Funds or Endowments can be created to perpetually support your community service agency. Agency funds hold assets for a charitable organization and distribute the principal or earned income in accordance with the agency's specific instructions.
- **Designated Funds:** Designated Funds are established to ensure that support will be provided to specific eligible non-profit organizations, often organizations that donors have been involved with during their lifetimes. This is an opportunity to leave a lasting legacy in the donor's name.

## Making a Gift to the Foundation

A variety of assets can be used to make charitable gifts and there are many ways that you can give immediately or in the future.

- **Cash:** Cash gifts are an easy way to make an impact in your community and allow you to give at any time.
- **Securities:** Securities, both publicly traded and closely held, can be used to set up a fund.
- **Real and Personal Property:** Gifting real and personal property often allows an individual to contribute more than they may have thought possible.
- **IRA/Retirement/Pension Fund Assets:** Retirement assets are most often used as testamentary gifts, creating charitable funds as part of an overall estate plan.
- **Life Insurance:** Life insurance makes it possible to make meaningful gifts to the community.
- **Unique Assets:** Examples might include stamp, coin or art collections; copyrights and patents; royalties; or other unique assets of value.
- **Wills and Bequeaths:** Bequests offer varied ways of giving to the Foundation. Cash securities or other property may be bequeathed in one's will.

- **Charitable Remainder Trusts:** A Charitable Remainder Trust provides life-long income for one or several income beneficiaries, such as the donor and the donor's spouse, and leaves the remainder interest to the Foundation or designated beneficiary.

- **Charitable Lead Trusts:** The income generated from assets placed in a Charitable Lead Trust is paid to the Foundation for a period of years, after which the trust is terminated and the assets are returned to the donor.

- **Charitable Gift Annuities:** The Charitable Gift Annuity can make it possible for donors to assist the community in the future while providing lifetime income for themselves. Upon the death of the donor, the remaining principal is retained by the Foundation to carry out the donor's charitable intentions.

- **Transfer of a Private Foundation:** This type of gift affords many advantages, including lower overhead, staff to assist with charitable goals, and a higher tax deduction for any future gifts, to name a few.

# Grant Helps Promote Childcare and Summer Camp Programs

The Afterschool Programs of Lancaster got a big boost in their marketing budget this year thanks to the Foundation's George and Dollie L. Zimpfer Memorial Fund. The organization used their grant in the amount of \$7,866.64 to promote childcare programs and the Summer Childcare Camp.

The Summer Childcare Camp, geared toward students in kindergarten through 5th grade, served more than 350 students this school year. Billboard advertising was purchased to help promote the afterschool homework programs and any fundraising events. A new retractable banner will be used as a backdrop for a national spotlight on afterschool and summer learning on the NAESP website. COSI on Wheels will be presenting two workshops, CSI and Astronomy, for the junior high programs. And finally, there are plans to purchase new physical education equipment, including items like soccer balls, basketballs, jump ropes, nutrition cards, and a STEM activity set.

**"We could not have accomplished any of this without the funding from the Foundation," said Michele Ritchlin, Director, Afterschool Programs of Lancaster. "These funds have given us the ability to provide wonderful activities for our students and the resources to advertise our services to the community."**

# FUNDS

## Donor Advised Funds

This type of fund is one of our most appealing charitable vehicles. Donor Advised Funds make possible several options, such as: Making a charitable gift now; the ability to make suggestions regarding which charities you would like to support; setting up a fund through your will/estate; naming certain people as advisors to your fund. Donors receive both tax and philanthropic benefits in a simple format with a high degree of flexibility.

# Helping all ages through their grief journey

FairHoPe Hospice & Palliative Care, Inc. recently opened The Anita M. Turner Center, a free-standing community grief center. FairHoPe Hospice provides FREE grief support to all grieving children, teens, families and adults who live in or near the community. The Anita M. Turner Center provides a space for family grief camps, one-on-one or group grief sessions in a peaceful setting.

In recent years, FairHoPe Hospice has seen a 46 percent increase in the number of referrals for child and family-based grief support services. More than 125 adults and 160 children have been helped so far this year. The new building allows FairHoPe Hospice to expand its services to more people in the community. A \$10,000 grant from the George and Dollie L. Zimpfer Memorial Fund has provided the grief center with new tables and chairs for its large meeting room where children grief camps and more are held. The furnishings will also be used by the community as organizations can utilize the room for free community meeting space and events.

**“We see firsthand how our work is helping all ages through their grief journey with the free programs that are offered,” said Denise Bauer, FairHoPe Hospice President/CEO. “We appreciate the Fairfield County Foundation and the Zimpfer Fund for their support in helping us reach more people in our community.”**

**“The scholarships I received from the Foundation certainly helped to lessen the financial burden and made going to college a more realistic plan for me,” said Nick. “I was pleased to recommend James for the Shannon Scholarship, as I know him to be a committed and passionate student and recognize that he too will benefit from the scholarship as he works to pursue his education.”**

## **From Mentor to Mentee, Foundation Scholarships Stand the Test of Time**

Nicholas (Nick) Murdock graduated from Lancaster High School in 2000, enlisted in the Army and returned in 2004 to attend The Ohio State University. He graduated in 2008 with a bachelor's degree in engineering and currently lives in Florida, where he works as a Civil and Environmental Professional Engineer for NASA. Nick received the George A. Sakas Memorial scholarship, which is given to students who plan to major in mechanical engineering.

Nearly 15 years later, Nick found himself working on another scholarship application – this time for James Fox, an Ohio University student he has watched grow into a talented young adult with similar career interests. Nicholas has served as a mentor to James for several years, and wrote a letter of recommendation to accompany his scholarship application this spring.

- 
- 1. Nick at his graduation from The Ohio State University.*
  - 2. Nick, his wife Jenny (also a Foundation scholarship recipient) and James when he was younger.*
  - 3. James at Ohio University.*

# AMBASSADORS' CLUB

The Ambassadors' Club was formed in 1998 to help build awareness of the Foundation's role and increase its visibility in the community. Ambassadors assist in this effort by promoting a better understanding of the Foundation, its role and its activities in Fairfield County. Generous gifts from many individuals, families and businesses with a connection to Fairfield County help the Foundation fulfill its mission to build a legacy in our community.
