A Message From the Director

Dear Friends of the Foundation,

It's been a great summer of community events and we enjoyed seeing so many friendly faces at the Lancaster Festival last month! It's hard to believe it's already time to gear up for back to school! We hope you have all had a relaxing and enjoyable summer and are looking forward to the next season in beautiful Fairfield County!

In this edition of the newsletter, we're excited to announce the list of organizations that received grants in the second of three grant cycles this year. We also want to ensure everyone has had an opportunity to take a look at our 2017 Annual Report, *Better Together: Building Legacies Across Generations*. The report can be downloaded using the link in the article below. Finally, we have an important reminder for scholarship recipients.

Thank you, as always, to the generous donors and supporters throughout Fairfield County who help make these projects and programs possible.

Executive Director

What is a Community Foundation?

A community foundation is a non-profit, publicly supported, nonsectarian philanthropic institution with a long-term goal of building permanent funds established by many donors to carry out their charitable interests, and for the broad-based charitable interest of and for the residents of a defined geographic area.
