SCHOLARSHIP UPDATE

Lancaster Kiwanis Club Awards Two Scholarships for 2023-2024 School Year

This year's recipients for the Lancaster Kiwanis Club Scholarship are Lancaster High School graduate, Peyton Wilson, and Fairfield Union graduate, Jayna Markwood.

Peyton will be attending the University of Iowa with plans to major in education. Jayna will be attending Ohio University and will be studying communication sciences and disorders.

The Lancaster Kiwanis Club Scholarship is for graduates of a Fairfield County high school who have participated in Key Club during high school. Key Club's mission is to provide a practical means to form enduring friendships, to render unselfish service, and to build better communities. Locally, Key Club students do many acts of community service and give back to their communities on a regular basis by working with junior high students as well as hosting many events for students and community members.

OUR MISSION...

Building a legacy through philanthropy and stewardship to strengthen our community.

Since 1989, the Fairfield County Foundation has helped donors create lasting charitable legacies that carry on their names, their values and their priorities. Within the Foundation are more than 390 individual charitable funds, each created by donors to address those local causes they are most passionate about. Today, Foundation grants support the arts, children's programs, health and wellness projects, community development, academics and much more. From scholarships for deserving Fairfield County youth and equipment to keep people fit and healthy, to improvements to green spaces throughout our county and grants to feed the hungry, the Fairfield County Foundation touches every member of our community in some way.
