GIVE 365 Annual Campaign

FOUNDATION LAUNCHES ANNUAL CAMPAIGN TO GROW COMMUNITY IMPACT FUND

JOIN THE MOVEMENT

On Monday, June 21, the Foundation officially launched GIVE 365, a campaign to grow the Community Impact Fund and ensure the Foundation is able to respond to changing community needs, support innovative solutions to community problems, and enhance the quality of life in Fairfield County. The enthusiasm we have seen among our board, local businesses, long-time donors and individuals in the community is amazing and we look forward to carrying this momentum throughout the length of the campaign!

A simple pledge of \$1 per day, or more if you can, allows you to be part of the local movement to ensure Fairfield County is equipped to respond to the challenges and opportunities of the future. You can make a one-time donation, or schedule a recurring \$31 monthly gift for one year. It's that simple!

Join the movement and support our community today!

250 Plates Community Meal

Tickets for the 250 Plates Community Meal are officially on sale and can be purchased on the Foundation website!

As with the inaugural 250 Plates, this year's event will be held in Bank Alley (behind AleHouse 1890). The delicious meal, served family style and prepared by our downtown restaurants, will be sourced with mostly local foods. Proceeds from the event will benefit Keller Market House and the local food pantries in Fairfield County.

Tickets are \$100 per plate or \$800 per table. Please [email Sarah Stoughton](mailto:sarah.stoughton@fairfieldcountyfoundation.org) with any questions about sponsorships or the event in general.

**Please note that this is family style meal and social distancing will not be possible at this event.*

Building a Legacy in Our Community

OUR MISSION...

Building a legacy through philanthropy and stewardship to strengthen our community.

Since 1989, the Fairfield County Foundation has helped donors create lasting charitable legacies that carry on their names, their values and their priorities. Within the Foundation are more than 390 individual charitable funds, each created by donors to address those local causes they are most passionate about. Today, Foundation grants support the arts, children's programs, health and wellness projects, community development, academics and much more. From scholarships for deserving Fairfield County youth and equipment to keep people fit and healthy, to improvements to green spaces throughout our county and grants to feed the hungry, the Fairfield County Foundation touches every member of our community in some way.
