33-Hour Give

## HELP US RAISE AWARENESS ABOUT THE 33-HOUR GIVE!

Each year, more and more donors take advantage of the opportunity to increase the impact of their year-end giving by participating in our annual "Give" event. As a friend of the Foundation, we hope you plan to participate this year and that you will help us spread the word about this great opportunity to support local nonprofits! If you're a fund holder, please utilize the resources in the toolkit we provided to promote the Give within your networks. And, anyone can share the posts about the 33-Hour Give on our Facebook page!

**This year, the 33-Hour Give event will begin at 8am on #GivingTuesday, November 29th, and donations will be accepted until 5pm on Wednesday, November 30th.**

If you have any questions, please call the Foundation at 740-654-8451.

#GivingTuesday is held annually on the Tuesday after Thanksgiving (in the U.S.) to kick-off the holiday giving season and inspire people to collaborate in improving their local communities by making a charitable contribution to a fund at the Fairfield County Foundation, or to any cause or charity they are passionate about. **If you have any questions regarding the 33-Hour Give, please call the Foundation at 740-654-8451.** \*Please note: Contributions cannot be made by the organizations themselves. Contributions must be made by individuals or organizations other than the recipient of the funds. Fundraisers cannot be held prior to the Give and funds held and submitted during the hours of the Give. Facebook fundraisers are NOT eligible for the 33 Hour Give—as the funds come in with no donor information and no designation as to which fund receives the donation. \*No single gift, by an individual, to a single organization, can receive more than 20% of the total match amount. Please contact the Foundation offices if you have questions.

# Scholarship Update

# Grants Update

## Foundation Grant Provides Books and Health Information for Local WIC Participants

The Fairfield County Foundation recently awarded a grant from the Terry A. McGhee/Sally J. Grimm Community Fund to the

Fairfield Department of Health's Reading Readiness Program.

This program provides books to participants of their Women, Infants, and Children (WIC) program. These books focus on educational themes like nutrition, reading foundations, numbers, and hygiene. They also put a QR code in each book where parents/guardians can find more information about relevant and age-appropriate health topics.

As a result of the grant, the Fairfield Department of Health was able to distribute 272 books to 1,088 individuals across Fairfield County. The WIC staff of the Fairfield Department of Health were able to promote literacy, encourage healthful family time, and create opportunities for parent and child bonding and relationship building.

## OUR MISSION...

Building a legacy through philanthropy and stewardship to strengthen our community.

Since 1989, the Fairfield County Foundation has helped donors create lasting charitable legacies that carry on their names, their values and their priorities. Within the Foundation are more than 390 individual charitable funds, each created by donors to address those local causes they are most passionate about. Today, Foundation grants support the arts, children's programs, health and wellness projects, community development, academics and much more. From scholarships for deserving Fairfield County youth and equipment to keep people fit and healthy, to improvements to green spaces throughout our county and grants to feed the hungry, the Fairfield County Foundation touches every member of our community in some way.
