## A Message From the Director

Dear Friends of the Foundation,

Summer has officially arrived in Fairfield County, and with the new season comes our annual announcement of scholarship recipients! We are continuously amazed by the talent and initiative of our younger community members. Selecting scholarship recipients is always a difficult task and this year was no different. However, it is always a true honor to be able to announce the recipients of the Foundation scholarships. Please see below for the names of the students who will receive Rotary Scholarships for the 2019-2020 school year.

This edition of our newsletter also features information about the FCF Women's Giving Circle and includes a few more videos from our "30 Ways in 30 Years" video series celebrating the 30th Anniversary of the Foundation.

As always, we want to express our sincere gratitude to our donors and supporters. We thank you for your continued support of the Foundation and hope you all enjoy the long days of summer!

## **FCF Women's Giving Circle**

The FCF Women's Giving Circle, a component fund of the Fairfield County Foundation, is a volunteer led and member managed giving circle whose main purpose is to connect, invest and inspire hope for youth and women in Fairfield County by awarding grants to

local non-profits. No volunteering, no event planning, no silent auction donations to solicit. Through collaboration and relationships developed in the circle, we can have a greater impact than we might otherwise have alone.

The next meeting will be held on Sept. 18. To learn more about the FCF Women's Giving Circle, please contact [Amy Eyman](#).

## **Foundation Celebrates 30 Years of Building a Legacy in our Community**

The Fairfield County Foundation is thrilled to celebrate our 30th year with the Fairfield County Community through a public awareness campaign about the Foundation's local impact, and how community members can get involved.

Below are the most recent videos from our "30 Ways in 30 Years" series to highlight the local impact of the Foundation on our community. The complete series is available on our [Facebook](#) and [YouTube](#) pages.

In addition, Foundation staff will be available to speak at local events or meetings to share information about charitable giving, grants, scholarships and other Foundation programs. Anyone interested in scheduling a speaker should reach out to the Foundation directly.

## What is a Community Foundation?

A community foundation is a non-profit, publicly supported, nonsectarian philanthropic institution with a long-term goal of building permanent funds established by many donors to carry out their charitable interests, and for the broad-based charitable interest of and for the residents of a defined geographic area.
