A Message From the Director

Dear Friends of the Foundation,

While the holiday season will likely look a bit different for all of us this year, I believe the importance of turning our focus to and acknowledging all we have to be grateful for is more important than ever. At the top of our list of things to be grateful for is people, like you, who support the Foundation and share our commitment to building a legacy that will strengthen our community for years to come. What we have accomplished together this year, in the midst of so many challenges, is truly remarkable.

In this edition of the newsletter, we're encouraging community members to kick off the season of giving by participating in the 31-Hour Give in conjunction with #GivingTuesday on December 1st - 2nd. We are also excited to participate in National Community Foundation Week, which takes place November 12th-18th. We're excited to announce that this year's Ambassador's Reception on December 2nd will be a COVID-safe celebration that brings a new spin to our annual tradition. See our invitation below for details about the event and be sure to RSVP before November 23rd. Finally, be sure to review the important details about the 2021-2022 Scholarship Application.

Please remember our new [donation portal](#) is now live. Of course, donations can still be accepted by mailing a check to the Foundation office, or dropping a check off in person.

Thank you for your continued support of the Foundation!

Amy Eyman
Executive Director

Increase Your Impact During the 31-Hour Give

The Foundation has celebrated #GivingTuesday, a nationwide movement to raise awareness of community philanthropy and encourage spending with a purpose, since 2014. Once again, we are encouraging community members to "Get Your Give On," this year during the Foundation's 31-Hour Give event. The 31-Hour Give will begin at 8am on #GivingTuesday, December 1st, and donations will be accepted until 3 p.m. on Wednesday, December 2nd.

Again this year, we will be providing local donors and non-profits that have a fund at the Foundation with a toolkit to help them promote the 31-Hour Give to their donors and friends. Donations must be made online or in

National Community Foundation Week

The Fairfield County Foundation is pleased to join in a nationwide celebration to recognize the increasingly important role community foundations play in fostering local collaboration and innovation to address persistent civic and economic challenges. National Community Foundation week will take place November 12-18, 2020.

For more than a century, community foundations have served as a trusted partner and resource whose effect can be seen in the lives of millions and in the vibrant neighborhoods that continue to thrive through their mission-driven work. During this time, community foundations come together to share and reflect on the stories of impact over the past year.

"We are proud of our efforts to bring community partners together to find innovative and effective solutions to some of our most challenging problems, all while building a legacy for future generations," said Amy Eyman, Fairfield County Foundation Executive Director. "It is important to step back and reflect on our work and celebrate our successes. National Community Foundation Week is a great opportunity to do this."

As community foundations find solutions for communities large and small,

urban and rural - it is the collective work of these organizations that will have the most profound impact. This was most evident amid this year's coronavirus pandemic where over \$1 billion was distributed by community foundations in response to the crisis.

In Fairfield County, we partnered with the United Way to establish the [Fairfield County COVID-19 Relief Fund](#), which has distributed more than \$133,450 in grant funding since April. Additionally, the [Fairfield County Diversity and Inclusion Fund](#) was established this year in partnership with Krile Communications to foster conversation, collaboration and action that drives positive change in our community. The fund has received over \$25,000 in donations and is currently accepting applications for funding.

Community Foundation Week was created in 1989 by former president George H.W. Bush to recognize the work of community foundations throughout America and their collaborative approach to working with the public, private, and nonprofit sectors to address community problems.

Preliminary Review

If your application is fully submitted by Friday, February 12, 2021 the staff will review your application for completeness and email you with any issues by March 1, 2021. This will give you time to correct any problems before the final deadline on Friday, March 12, 2021.
